Dear Dr. Delia Bara,

On behalf of the Baseline Bums organization, we ask that you please accept our enclosed donation in the amount of $4,000 made payable to the George Gervin Youth Center.

We totally support your commitment to excellence by ensuring today's youth are afforded the opportunity to pursue a college education and earn a degree by attending anyone of our local colleges and/or universities.

The Baseline Bums continue to advance our mission each year by emulating our Spurs Values and investing in our future.

We had great success this year with our Annual Baseline Bum Raffle and would like to extend a helping hand in making a difference in our community by way of your George Gervin College Extravaganza.

We wish you continued success with this most rewarding endeavor and invite you to contact me with any questions.

Sincerely,

Bonnie Keammerer
